

# Neighbors

## FROM THE DIRECTOR'S DESK

School Starts this month! Good luck to everyone who is beginning classes, whether it's the first grade or college. Keep us informed of your successes so we can share them in the newsletter. Your good news should be shared. En-

closed you will find some information about registration and events happening with C.U.S.D. #4.

If you are having issues with a neighbor that you think are doing anything illegal or causing a disturbance in the development, call the police to make a report. Once you make the report then you can notify the office so we can obtain a copy of that report. If you have a complaint, it must be submitted in writing and sent to the office. It can be via email or by mail. Without documentation, there is not much we can do.
