

# Neighbors

## FROM THE DIRECTOR'S DESK

Due to an inspection we had with one of our other programs, our maintenance staff has gotten a little behind on work orders. We are doing our best to get caught back up, but it will take some time. Please be patient with us as we will get to you as soon as we can. If your problem gets worse in the meantime, please make sure you reach out to the office to notify us and please continue to call all work orders into the office in a timely manner.

We would like to remind everyone that when you have respect for your neighbors it will create a community to enjoy. All residents are responsible for their actions and the actions of their guests.

**The office will be closed Monday, September 5, 2022 for Labor Day!**
