## FROM THE DIRECTOR'S DESK

# Happy Holidays

- ◆ If you are decorating for the holidays, remember, all decorations must be in good working condition. They should not be nailed to the outside of the building or to trees. Extension cords must not be laid across the yard or doorway.
- ◆ During the cold months make sure you change your furnace filter regularly, we suggest monthly. This will help your furnace work more efficiently!
- ◆ When the Holidays are over be sure to take down the decorations. Dispose of Christmas tress properly. The trash men will not pick them up.
- ◆ Remember, you **MUST** store your trash toter in the garage!

Wishing everyone a very Happy Holiday Season.
