FROM THE DIRECTOR'S DESK

School is out for the summer! We hope that everyone has a nice relaxing summer vacation. Here are a few things to keep in mind with kids home for break.

- No one is ever allowed to be on the roof. If items are thrown up there, you must call the Housing Authority for their removal.
- You are not allowed to climb the trees.
- Parents are responsible for the actions of their children. Teach them the rules of safety for themselves and others.
- Please have respect for all of your neighbors.
- Everyone should be picking up any trash or debris that they may have outside while enjoying the weather.

***** Since lawn care is your responsibility, you are now allowed to trim the bushes as needed. The trees will still be maintained by the Housing Authority. ******

The office will be closed:

- Monday, June 19, 2023, to observe Juneteenth.
