## FROM THE DIRECTOR'S DESK

As many have already noticed there are some dead trees in the development. We are planning to have them replaced sometime this month.

Please remember when you are planting flowers this spring, they will need to be planted in a flower pot. Also, make sure throughout the season that they are not obstructing any walk ways or growing up any part of the building.

If you have an animal, you are responsible for cleaning up after them. All waste should be placed in a bag and thrown away in the trash can.

Your furnace filter must be changed at least once a month. If you provide the filter, we will replace it with no charge. The furnace filter size is 16x20x1. You will just need to call the office to place a work order.

The office will be closed Monday, May 29, 2023 to observe Memorial Day!
