## FROM THE DIRECTOR'S DESK

Fall is officially here! You are welcome to decorate for the holidays, just be sure to take decorations back down a few days after the holiday. All Halloween decorations must be taken down by November 7th.

- ◆ Keep in mind decorations for any occasion must be safe (not a trip hazard, no electric cords running along the ground, and in good condition). Anyone with questions can call the office.
- ◆ If you are using pumpkins for your outside decorations please make sure they are not rotting. If we notice rotting pumpkins we will remove them and charge.
- ◆ Please be safe when trick-or-treating in the developments. Only visit residences with the porch light on, children should stay with an adult and obey trick-or-treat days and times for each town.

#### Ingredients:

- 2 cups white chocolate melting candy
- 1/4 cup creamy peanut butter
- Reese's Pieces, mini pretzel twist, and candy corn topping.

#### Instructions:

1. Prepare a nonstick work surface using a silicone mat or parchment paper to be approximately 18 inches x 9 inches.
2. Melt the melting candy according to the directions on the package.
3. Spread it on the prepared work surface using an angled spatula or knife until it is about 1/8 inch.
4. Place the peanut butter in a small zip top bag, pushing it all the way down to one of the corners. Twist the top like a piping bag. Place in the microwave and heat for 15-20 seconds until PB is warm through.
5. Snip the corner and pipe the peanut butter in straight lines across the spread white candy. Drag a knife back and forth across the PB lines to create a beautiful marble.
6. Sprinkle the Reese's Pieces, mini pretzel twists, and candy corn over the top, slightly pressing into the melted candy if necessary.
7. Let candy cool for 10-30 minutes until candy is hardened. Cut our break into pieces before serving and/or packaging.
8. Store in an airtight container for up to 2 weeks.
