FROM THE DIRECTOR'S DESK

- ◇ Please remember that all trash receptacles are to be kept in the garage at all times. They are to be taken out to the end of the drive for trash pick up but must be placed back in the garage that evening.
- ◇ Please make sure you are calling in any damages that happen, as it happens. You can call the office or email one of us to make a work order.
- ◇ If you have an animal in your apartment, we ask that you kennel the animal if we come out to complete a work order. This is for the safety of our staff along with the safety of your animal.
- ◇ Please remember these homes are smoke free, therefore, smoking is not allowed inside the homes for any reason. This does include your garage. This also includes vapes.
- ◇ If you plan to have an overnight guest, please make sure that you are reporting it to the office.
