FROM THE DIRECTOR'S DESK

August is here and school will be starting for a lot of children and adults. If there is someone in your household that has excelled in school, sports, or work, please feel free to share this information with us so we can share it right here in our newsletter.

We have been noticing that trash cans are not being stored in the garages when it is not trash day. Per the House Rules: Trash receptacles are to be stored **INSIDE** the garage at all times except on trash day. On collection days, trash receptacles need to be placed near the street for collection. After trash pick-up, trash receptacles need to be immediately removed from the street and placed inside the garage.

Please continue to mow your lawns through the month of August. We require that it is no taller than 5" in height. If beyond this height, we will send you a notice. If not taken care of after the notice, our maintenance staff will contract your yard to be mowed at your expense.

Stay Safe and Stay Healthy!
