FROM THE DIRECTOR'S DESK

It's Fire Prevention Month! This is the month that we really encourage residents to discuss fire safety. This is a great time to discuss fire escape plans, smoke detector importance, and fire safety. Your local Fire Department could assist you with an of these topics if needed.

Fall is officially here! Remember when putting up any Fall/Halloween decorations that they are in good working condition and they are not creating trip hazards. We do ask that you take down your decorations immediately after the holiday is over.

Halloween is approaching and children will be out and about in the development. Whether they are playing outside or taking advantage of trick or treating, please drive slow and be careful in the development.

The office will be closed on Monday, October 14th, 2024 to observe Columbus Day!

Stay Safe and Stay Healthy!

Dionne Wyatt, CEO
